

**OPTION A PH.D. MINOR AGREEMENT FORM**  
**SCIENCE AND TECHNOLOGY STUDIES**

Students working on an STS PhD Minor (Option A) are required to take **one core** graduate seminar, STS 901, which introduces students to interdisciplinary perspectives on science, technology, and society. In addition, students in the Ph.D. Minor are required to take **6-9 credits** from the approved list of STS courses in at least **two** different departments. Students may not count courses in their major field toward the minor. Total credits for all these courses should be no less than nine. Students are required to achieve a grade of B or better in each of these courses.

Students may request the inclusion of courses not on the approved list. The request must be in writing and must include a copy of the course syllabus. Approval of the request must be received first from the student's STS advisor and then from the director of the STS program.

Date	
Student's Name (Last, First)	
Campus ID Number	
Major (and department if different)	
Minor Option Title	<i>Science &amp; Technology Studies Ph.D. Minor</i>

**Minor Courses**

Department	Course No.	Title	Credits	Grade	Sem/Year
