**Science & Technology Studies**  
UNIVERSITY OF WISCONSIN-MADISON

**Integrated Studies in Science, Engineering, and Society  
Course Contract Form**

Student Name:

Campus ID #:

Degree/Major:

Date Submitted:

Certificate Advisor:

---

Please identify the courses to be included in your proposed certificate plan, including department name, course number, course title, and number of credits:

Each student is required to take STS 201: Where Science Meets Society, a 3 credit course.

| ISSuES<br>Course # | Dept.<br>Name | Course<br># | Course Title                | Credits | Semester<br>Taken |
|--------------------|---------------|-------------|-----------------------------|---------|-------------------|
|                    | STS           | 201         | Where Science Meets Society | 3       |                   |

Students are required to complete 9 additional credits (typically 3 courses): an introductory course (3 credits) and two elective courses (6 credits). See the [Course Guide](#) for introductory and elective options. These courses must be approved by the student's certificate advisor.
